Dear Ms. Haines and Mr. Irland;

The Department of Agriculture, Conservation & Forestry again thanks the Town of Wayne for submitting its draft Comprehensive Plan for review for consistency with Maine's Growth Management Act.

With our Notice of Completeness, dated 5/18/2016, we provided you with the written comments we received from the Maine Departments of Environmental Protection; Agriculture, Conservation & Forestry; and Inland Fisheries & Wildlife. In response to those comments, the Town developed revisions to the draft plan, which were submitted for our review yesterday.

We have now completed our review of the plan and are pleased to inform you that we find the draft Comprehensive Plan for Wayne, Maine, dated 5/26/2016, to be **consistent** with the Growth Management Act. Thanks to the hard work of the Planning Board, its consultant, municipal staff and involved citizens, this plan will provide important guidance to the Town's decision-makers for years to come.

Again, thank you for submitting your plan for our review. Please don't hesitate to contact me at 287-3860 or phil.carey@maine.gov if you have any questions.

Sincere Best Wishes,

Phil Carey
