

Join the Wayne Community Resilience Workshop!

6:00 PM - 8:00 PM, 17 JULY

Ladd Recreation Center

The [Community Resilience Partnership](#) funds projects that reduce energy use and costs and/or make communities more resilient to severe weather and changing environments. The grants are given directly to communities enrolled in the partnership with no match required.

Grant awards are up to \$50,000 for each municipality or up to \$125,000 when two or more communities' partner on a project. These funds can be used as a match for other grants. Grants applications are usually due in March and September. Categories of project types that require no match are:

- Transportation
- Plan for Community Resilience
- Building Design
- Reduce Flood Risk
- Reduce Greenhouse Gas Emissions
- Protect Natural/Working Areas
- Strengthen Public Health
- Support Natural Resource Economy
- Public Engagement

The Town of Wayne is working with GrowSmart Maine to help with the enrollment of the town in the program and to develop a grant proposal in line with community priorities. To this end, ***a Community Workshop will be held Wednesday, July 17 at 6 PM at the Ladd Recreation Center and is open to all interested residents.*** The purpose is to arrive at a list of priority community actions for the town.

If you are interested in being kept informed and/or involved in the process, please contact Dayea Shim at GrowSmart Maine, 207-671-7784 or dshim@growsmartmaine.org.
